IMPACT TO COMMERCE OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (006452): Deletes and rewrites all language after the enacting clause such that the only substantive change is to remove the requirement of collaboration between a physician and a physician assistant in certain circumstances for authorization of a service to be performed.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Pursuant to Tenn. Code Ann. § 63-19-103, there is an established Committee on Physician Assistants operating under Board of Medical Examiners consisting of five members.

- The proposed legislation will establish the Committee as its own Board to be cited as the Board of Physician Assistants.
- The Board will add four additional members for a total of nine members.
- Currently, the Committee meets an average of five times per year. It is estimated the Board will meet correspondingly.
- Due to the January 1, 2022 effective date, it is estimated the Board will meet 3 times in FY21-22.
- Each of the four new Board members are entitled to per diem of \$100 and mileage reimbursement of \$110 (\$0.47 per mile at an average of 234 miles), for a total of \$210 per meeting.
- The total increase in state expenditures in FY21-22 is estimated to be \$2,520 [(\$210 reimbursement x 4 additional members) x 3 meetings].
- The total recurring increase in state expenditures is estimated to be \$4,200 [(\$210 reimbursement x 4 additional members) x 5 meetings] in FY22-23 and subsequent years.
- It is reasonably assumed the Board will set fees relative to the examination, licensure and licensure renewal of physician assistants in an amount similar to current fees set out by the Committee; therefore, no change in license fee revenue.
- Pursuant to Tenn. Code Ann. § 4-29-121, all health-related boards are required to be self-supporting over a two-year period. The Committee on Physician Assistants had a deficit of \$17,959 in FY18-19, a deficit of \$406,997 in FY19-20, and a cumulative reserve balance of \$276,500 on June 30, 2020.

IMPACT TO COMMERCE WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumption for the bill as amended:

- No significant impact on jobs or commerce in this state.
